

20-Year Celebration of the McGregor Ministry In Africa and Madagascar

*Jesus said,
"I will be with you
always"
Matthew 28:20*

We are so pleased to be celebrating 20 years of missionary ministry in Africa and Madagascar. Little did we know when we stepped on the plane in August 1991 with our two daughters, aged 2 years and 11 months old, that we would be spending a major portion of our lives serving the Lord overseas. As we reflect upon the years, we thank God for the following fruits of ministry:

- ✧ Baptizing thousands *throughout* Kenya and Madagascar
- ✧ Planting over 40 churches
- ✧ Training of hundreds of evangelistic leaders
- ✧ Hosting over 50 mission teams and individuals
- ✧ Building a cathedral in Mahajanga, Madagascar
- ✧ Sponsoring 30 individuals for education including primary, secondary and advanced studies
- ✧ Building 9 health clinics
- ✧ Setting up *numerous* agricultural co-ops, women's projects, and economic development programs
- ✧ Building of Evangelism Training Centers in Antananarivo and Toliara
- ✧ Creation of the "I Want To Learn English" lab in Toliara

It is only by the grace of God and your generous support and partnership that we have been able to be People Reaching People on the mission field.

We invite you to celebrate with us our 20 Year Ministry Anniversary by participating in an event this November hosted by St. David's Episcopal Church in Glenview, Illinois.
